

Tenure-track Faculty Position

Applications are invited for one full time faculty positions beginning in Fall 2010, at the tenure-track (Assistant Professor) level. Appointees will be expected to pursue a vigorous research program and to teach graduate as well as undergraduate students. While outstanding applicants from all mathematical research areas will be considered, preference will be given to those with research interests in the following areas of research: (A) Topology and Geometry; (B) Analysis and Partial Differential Equations. Applicants at higher levels will be considered in exceptional cases.

Applicants should have completed the Ph.D. degree by the time the appointment begins and are expected to present evidence of excellence in research and teaching. Applications should include the standard AMS Cover Sheet for Academic Employment, curriculum vitae, a statement about current and future research, a statement on teaching experience, at least three letters of reference addressing research, and one letter of reference addressing teaching. All application materials must be submitted online at <http://www.mathjobs.org/jobs>. If this proves to be impossible, applications may be mailed to:

***Recruiting Committee
c/o Professor Uwe Nagel
Department of Mathematics
University of Kentucky
715 Patterson Office Tower
Lexington, KY 40506-0027, USA***

Applications will be reviewed as they are received and applicants may be interviewed before November 15, 2009; however, no hiring decision will be made until after November 15, 2009.

The University of Kentucky is an Affirmative Action/Equal Opportunity University that values diversity and is located in an increasingly diverse geographical region. It is committed to becoming one of the top public institutions in the country. Women, persons with disabilities, and members of other underrepresented groups are encouraged to apply. The University also supports family-friendly policies.
