

2004 Essay Contest

***Biographies of Contemporary
Women in Mathematics***

Deadline: October 29, 2004

To increase awareness of women's ongoing contributions to the mathematical sciences, the AWM is sponsoring an essay contest for biographies of contemporary women mathematicians and statisticians in academic, industrial, and government careers.

The essays will be based primarily on an interview with a woman currently working in a mathematical career. This contest is open to students in the following categories: Grades 6 - 8, Grades 9 - 12, and Undergraduate.

At least one winning entry will be chosen from each category. Winners will receive a prize, and their essays will be published online at the AWM web site. Additionally, a grand prize winner will have his or her entry published in the AWM Newsletter.
